LAKE SECLUSION

MEET YOUR HOSTS

Welcome to Lake Seclusion, our lakefront refuge! We are excited for you to experience the stillness and serenity that comes with our home. From the view of the lake, to the woods, to the hills surrounding us, they all have a special place in our heart.

A little bit about Rachael (left). I love to travel, explore new cultures, food and places. I have lived in Italy, China, Alaska and all over the United states. I love relaxing at the lake house and enjoying the quiet peace that the property has to offer.

A little bit about Tracy (right). I love seeing new places! I've lived and traveled all over the world and this home is my sanctuary. I love the peacefulness of the setting, the seclusion, and the quiet forest sounds. I've thoroughly enjoyed bringing my love of food, cooking and the outdoors to the fully equipped kitchen and landscaping of the house. See how many herbs you can find in the yard! Enjoy the views. I love it when I have to be inside and I can still be surrounded by the outside. If you're lucky, the birds will sing you awake, the deer will quietly tiptoe by to snack in the yard, you'll hear beavers nibbling on trees and fish flipping in the water.

WILDLIFE

BearWise Vacation Tips

You are in bear country, so there's a chance you'll see black bears here, even if you never go into the woods.

Don't Feed the Bears

- Don't leave food, trash or pet food outdoors when no one is around. A few seconds is all it takes for a hungry bear to swipe it.
- Feeding bears or using food to encourage bears to approach you is often illegal and always dangerous.
- Don't throw scraps or leftovers out the car window or into the woods behind your vacation rental.
- If trash container or dumpster is full, don't pile trash outside; take it with you when you leave.

Bear Viewing Guidelines

- Stay in your vehicle; even bears that seem comfortable around people are still wild animals.
 - Never approach bears or entice them to approach you.
 - Enjoy bears from a safe distance. Stay at least 50 yards or 10 car lengths away.
 - Don't block the road to view bears. If permitted, pull over and take photos from the safety of your vehicle.
- If you want to see bears, early morning and early evening are good times for viewing and photography.*

Driving in Bear Country

- Stay alert, stick to the speed limit and scan the roadsides. If a bear crosses the road, watch for cubs before you drive on.
 - Be especially alert at dawn and dusk when bears are most active; black bears are fast and hard to see.
 - If you hit a bear, don't try to help it. Call 911 or report to authorities as soon as you can.
- Wildlife collisions are not always covered by insurance.*

Dogs and bears don't mix. **Keep your dog on a leash at all times when outdoors.** Letting your dog approach or lunge at a bear puts you and your pet in danger.

Discourage Break-Ins

- Lock vehicles; don't leave windows open even a crack. Remove anything with an odor (food, drinks, trash, pet food, scented products).
- Keep exterior doors closed, even when you're there.
- Don't stash food, beverages, trash or recycling on porches/patios/decks.

If You See a Black Bear

- If a bear comes around your place, try to scare it away by making lots of noise yelling or banging pots and pans together from a safe distance.
- If you see a bear near a dumpster or in a building, don't approach or corner it. Give the bear an escape route.

In the Woods

Carry bear spray and know how to use it.

If you see a bear before it notices you, don't approach. Stand still, enjoy, then quietly move away.

If a bear sees you, back away slowly. Never run; running may trigger a chase response.

If a bear approaches, hold your ground, wave your arms and yell "Hey Bear" until it leaves. Always stay with your group. **If it keeps approaching,** use bear spray.

If a black bear makes contact with you, do NOT play dead; fight back aggressively.

Black bear is a species; common colors include black, brown and cinnamon.

BOATING TIPS

01

WEAR A JACKET

Anyone on a water-craft or being towed must wear a properly-fitting USCG-approved life vest per Virginia regulations.

02

AVOID CONGESTED AREAS

Avoid towing in congested areas and narrow coves and creeks.

03

MAINTAIN A SAFE DISTANCE

Minimize repeat passes along the same shorelines. Vary the locations you choose for enjoying tow sports.

04

ELMINATE POWER TURNS

Put an end to power turns. Instead, chop the throttle when a rider falls. Then circle back at idle speed to avoid creating rollers that assault shorelines, endanger swimmers and paddlers, and unnecessarily detract from smooth water conditions.

05

WATCH YOUR TIME

Enjoy towed sports between dawn and dusk as allowed by Virginia state law (one-half hour before sunrise and one-half hour after sunset).

TIPS FOR YOUR STAY

01

Please notify us of any breakage. We understand things happen. We have children, too! If it's a larger issue we will discuss the cost with you before you leave to avoid any issues later.

02

No smoking of any kind is allowed including vaping, e-cigarettes, wax pens, marijuana, cigars, pipes, etc. You will be charged an extra cleaning fee if smoking odor is present.

03

We love animals and know how hard it is to leave them at home, but we chose to make this home pet-free due to many people being allergic to animals, including our owners.

Please respect all guests by leaving your furry friends at home too.

04

The red dirt is very difficult to clean out of carpets and so we ask all guests to remove their shoes while inside.

BEFORE YOU GO

☐ RERACK LAKE EQUIPMENT

To ensure the next guests are able to use the equipment please clean up and re-rack lake toys.

☐ TAKE OUT TRASH

Please remove all trash with food in it from house

☐ START DISHWASHER

Please load and start dishwasher

☐ LOCK WINDOWS AND DOORS

Please ensure the windows and doors are locked and closed

☐ SAFE TRAVELS

We hoped you enjoyed your stay!

"DEFINITELY RECOMMEND"

House was amazing. The view of the lake and all the fall colors was worth every dollar. Would definitely recommend to anyone with a large group of people.

"RIGHT ON THE LAKE"

Great house. Clean. Ample space. Comfortable beds. Lots of kitchen supplies
Right on the lake. Great deck and windows!

In the background, there are rolling mountains under a clear, bright sky. The overall color palette is soft and natural, with blues, greens, and whites.
